Bulletin Bulletin

### Bulletin

Bulletin Bulletin

**TO :** Retirement Systems & Pension Funds established under the Illinois Pension Code  
**FROM :** Department of Insurance Public Pension Division  
**DATE :** November 1, 2013  
**RE :** Annual Salary Maximum for Pension and Annuity Purposes, and Annual Cost of Living Allowance (COLA) for New Hires on or after January 1, 2011

In accordance with Public Act 96-0889, Public Act 96-1490 and Public Act 96-1495, the Illinois Pension Code (Code) requires that the Department of Insurance annually determine the annual salary maximum to be used for pension and annuity purposes and the retirement COLA to be applied for participants who first became participants on or after January 1, 2011. These individuals are more commonly known as Tier II employees. The Department is required to determine these amounts by November 1 of each year to all Retirement Systems and Pension Funds operating under the Code.

The annual increase to be used in determining the annual salary maximum and the COLA is derived from the change in the Consumer Price Index-Urban (CPI-U) for the 12 months ending with the September preceding each November 1.

**CPI-U, September 2013, unadjusted change in the CPI-U over the prior 12 months: 1.2%**  
*Source: US Bureau of Labor Statistics.*

For the General Assembly Retirement System (Article 2) and the Judges Retirement System (Article 18), the annuity COLA and the increase in the annual salary maximum equals the lesser of 3% or the full CPI-U. For these systems, the 2014 COLA to be applied to the Tier II annuity benefits will be 1.2% and the 2014 annual salary maximum for annuity purposes will be \$113,550.53 as shown in Table 1 below:

**Table 1:**

<u>Calendar Year</u>	<u>Prior Year CPI-U</u>	<u>COLA, or Annuity Increase</u>	<u>Annual Earnings, Salary or Wages Maximum</u>
2011		3.00%	\$106,800.00
2012	3.90%	3.00%	\$110,004.00
2013	2.00%	2.00%	\$112,204.08
2014	1.20%	1.20%	\$113,550.53

For the Retirement Systems and Pension Funds established under the Code other than the General Assembly Retirement System and the Judges Retirement System (see list below), the annuitant COLA and the increase in the annual salary maximum equals the lesser of 3% or ½ the CPI-U. The 2014 COLA applied to Tier II annuitant benefits will be .6% and the 2014 annual salary maximum for pension and annuity purposes will be \$110,631.26 as shown in Table 2 below:

**Table 2:**

<u>Calendar Year</u>	<u>Prior Year CPI-U</u>	<u>½ CPI-U</u>	<u>COLA, or Annuity Increase</u>	<u>Annual Earnings, Salary or Wages Maximum</u>
2011			3.00%	\$106,800.00
2012	3.90%	1.95%	1.95%	\$108,882.60
2013	2.00%	1.00%	1.00%	\$109,971.43
2014	1.20%	0.60%	0.60%	\$110,631.26

The following is a list of the Retirement Systems and Pension Funds for which the limits provided in Table 2 apply:

- |                                       |   |
|---------------------------------------|---|
| State Employee Retirement System      | Metropolitan Water Reclamation District   |
| State University Retirement System    | Forest Preserve of Cook County            |
| Illinois Teachers Retirement System   | Chicago Laborers Retirement Fund          |
| Illinois Municipal Retirement Fund    | Chicago Fire Retirement Fund              |
| Suburban & Downstate Police           | Chicago Police Retirement Fund            |
| Suburban & Downstate Fire             | Chicago Park Employees Retirement Fund    |
| Municipal Employees of Chicago        | Chicago Teachers Retirement Fund          |
| Employees and Officers of Cook County | Chicago Transit Authority Retirement Fund |
